Re: Withdrawal From Representation
 Merchant & Gould Reference No.: 14783

Dear Sir:

As stated in our letter dated November 17, 2005, due to the failure to pay on the balance in your account in a timely manner, the Credit and Collection Committee at Merchant & Gould has determined it necessary to terminate our representation of IntraVantage.

To facilitate the withdrawal of our representation, we have requested from the United States Patent and Trademark Office permission to withdraw as attorney of record. Enclosed please find copies of these requests. This filing with the United States Patent and Trademark Office will allow us to formally withdraw from representation. Once approval is received by Merchant & Gould, we will no longer be held responsible for your legal matters.

I am also transferring to you at this time your original files, as listed herewith, and have not retained copies. These files will be removed from our docket system, and once the Patent & Trademark Office has granted the withdrawal, we understand that you will assume responsibility for all future docket dates. Enclosed is a current Docket Report detailing all outstanding due dates for the next one year period. We have removed these deadlines from our *docket* and *annuity* system. You are advised to immediately seek new counsel so as not to jeopardize your intellectual property portfolio. Failure to respond as required by the USPTO to future docket dates could result in the loss of your intellectual property rights.

Please acknowledge receipt and assume responsibility for these files by signing and returning the attached copy of this letter.
